---

WAC 388-474-0012  
WAC 388-406-0021

- Updated rules to reflect name of Basic Food program.
- Edited text for clarity.
- Added that we do not prorate a migrant or seasonal farmworker AUs benefits at recertification if the AU turned in an application for recertification within a month of when their previous certification period ended.
- Clarifying Information and Worker Responsibilities support WAC changes.
